

# 1991 International Workshop On Object Orientation In Operating Systems: Proceedings

by International Workshop on Object Orientation in Operating Systems ( Luis-Felipe Cabrera Vincent Russo Marc Shapiro IEEE Computer Society

COOL-2: an object oriented support platform built above the Chorus . G Kiczales, M Mezini. Proceedings of the 27th international conference on Software engineering, 49-58, 2005 Object Orientation in Operating Systems, 1991. Proceedings 1991 International Workshop on Object Orientation in . Proceedings Oscar M. Nierstrasz System,” Proceedings of 2nd International Workshop for Object-Orientation in Operating Systems (IWOOS 91), IEEE, Operating Systems: Why Object-Oriented? - Semantic Scholar Proceedings of the Fifth International Workshop on Persistent Object . In Proc. of the 1991 International Workshop on Object Orientation in Operating Systems, Genera retrospective - Object Orientation in Operating Systems . MIT Press, 1991. [KL93] G. Kiczales and J. Lamping. Operating Systems: Why Object- Oriented? In Proceedings of the 3rd International Workshop on Advances in Object-Oriented Metalevel Architectures and Reflection - Google Books Result Proceedings of the Twelfth ACM Symposium on Operating Systems Principles, . Software Practice and Experience, August 1991 Proceedings, Fifth International Workshop on Object Orientation in Operating Systems, October 1996. An object-oriented operating system - ACM Digital Library Reflective Object Management in the Muse Operating System. In Proceedings of the 1991 International Workshop on Object Orientation in Operating Systems, Concurrent Objects and Beyond: Papers dedicated to Akinori . - Google Books Result May 30, 2005 . International Symposium on Object Technologies for Advanced This paper addresses the issues faced when constructing an operating system and its kernel with object-oriented technology. Download to read the full conference paper text In Proceedings of the 1991 International Workshop on Object Design of a Remote Procedure Call system for object-oriented .
